## AWARD OF MERIT

The Irish Water Spaniel Club of America offers Awards of Merit at its National Specialty Show in recognition of the qualify dogs that are in serious contention for the top breed awards. It excludes the Best of Breed winner and the Best of Opposite Sex winner that by virtue of their placements have already been recognized. It is entirely the judge's decision whether to give all the Awards of Merit, only some, or none. The number of awards that may be made is determined by the size of the entry based on the number of dogs competing in the Best of Breed ring including entered Champions of record, any move-ups, Veteran Dogs, Veteran Bitches, Winners Dog, and Winners Bitch x 10% rounded up, with no consideration as to sex. AOM's should not be confused with Select Dog and Select Bitch which are AKC awards toward Grand Championship status and are to be awarded per AKC rules.

## *Points for Reserve are Available*

Reserve Winners Dog and Reserve Winners Bitch may earn a three-point major provided that the number of dogs competing in the regular classes of the Reserve Winner's sex totals at least twice the number required for a five-point major, in the region in which the event is held.

## NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES

*The judge's decision in the Non-Regular Classes involving Multiple Dog Entries is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won these classes.*

**Stud Dog Class** ~ For Stud Dogs and at least two, and not more than four of their Get.

**Brood Bitch Class** ~ same as Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get. Stud Dogs and Brood Bitches may be spayed or neutered.

**Generations Class** ~ An "entry" represents 3 generations of a pedigree. Each entry is judged on the merits of all 3 of the dogs (Example: dog, sire, and grandsire).

**\*STUD DOG CLASS** ~ For Stud Dogs and at least 2 of their get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition but must be entered in the Stud Dog class. The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition. The Stud Dog shall be considered one entry and requires one entry fee – this being the regular fee plus the additional class fee, if the Stud Dog is entered in another class. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed.

**\*BROOD BITCH CLASS** ~ Same as for the Stud Dog Class, except substitute "Brood Bitch" for "Stud Dog" and "Produce" for "Get."

**\*GENERATIONS CLASS** ~ The entries in the Non-Regular Generations Class represent 3 generations of an Irish Water Spaniel pedigree in each "Entry." They are exhibited from oldest to youngest. In the Generations Class, Entries in this class need not all be of the same sex. Spayed/neutered dogs may be exhibited in this class. At least one dog from each entry in this class must be entered in a regular conformation class. In this Generations Class, each entry is evaluated on the merits of all the dogs presented and the overall consistency on maintaining the standard of the breed through the multiple generations. A separate entry form must be submitted which will include all three of the "entry." Each dog comprising each Generations entry MUST be designated at time of entry. See Page 20 for the Entry Form.

*\*A neutered male may be entered in Stud Dog/Generation Class and a spayed Bitch may be entered in Brood Bitch/Generation class.*
